FREESZFE FILM FESTIVAL-CALL FOR ENTRIES

CALL FOR ENTRIES

On September 1, 2020, we, the students of the University of Theater and Film Arts in Budapest (SZFE) barricaded our campus, to stand up for the autonomy of our university and to protest against the arbitrary transformation of our institution.

As a part of our protests we are organizing a short film festival to explore the following themes: university autonomy, solidarity, student movement.
