

## PETER NALLI - Head of Animation & VFX at ILBE - FULL BIO

### **ENGLISH**

Peter Nalli, ILBE's Head of Animation and Visual Effects, has worked on over 20 international feature films as a Visual Effects Supervisor including *Black Butterfly*, starring Antonio Banderas, *In Dubious Battle*, starring James Franco, and Academy Award Winner Robert Duvall, and *Finding Steve McQueen*, directed by Mark Steven Johnson (*Ghost Rider*). Peter has also written and directed numerous episodes of the wildly successful animated spin-off series, *Arctic Friends* and *Puffins*, starring Johnny Depp. He was also instrumental in the ideation and visual development of its predecessor, the animated feature film *Arctic Dogs*, starring the voice talents of Jeremy Renner, alongside Oscar winners, Anjelica Huston and John Cleese.

Peter Nalli has been a celebrated guest speaker at KL Design Week (Kuala Lumpur, Malaysia), CG Overdrive (Singapore), and participated as an industry expert panelist for TAAFI Animation Festival (Toronto, Canada). Additionally, he has been honored with several awards for his success in VFX and digital design projects all over the world, including Madrid Film Festival, Warner Music, Stash Magazine, and Cannes Lion Interactive. Peter has taught courses at the internationally acclaimed Sheridan College (Oakville, Ontario) in *Compositing* as well as *Storyboarding for Animation*, *Animation Film Language*, and *Digital Matte Painting* at the Centennial College Story Arts Centre (Toronto, Canada).

In addition to his extensive production experience, Peter Nalli has spearheaded the creation and implementation of studios and productions internationally in Canada, Rome, Serbia, Bahrain, Mumbai, and Singapore. Currently, Peter Nalli is the Creative Producer (Showrunner) for the *Arctic Friends* and *Puffins* animated shows (Apple TV, Amazon) as well as the super-hero animated series, *Puffins Impossible*, created and produced in Serbia.

## SRPSKI

Piter Nali, direktor animacije i vizuelnih efekata u ILBE-u, radio je na preko 20 međunarodnih igranih filmova kao supervizor vizuelnih efekata, uključujući filmove, „*Crni leptir*“ sa Antoniom Banderasom u glavnoj ulozi, „*U dubioznoj bici*“ sa Džejsom Frankom i dobitnikom Oscara, Robertom Duvalom, i film „*Pronaći Stiva Mekvina*“, u režiji Marka Stivena Džonsona (*Ghost Rider*). Piter je takođe napisao i režirao brojne epizode izuzetno uspešnih animiranih spin-off serijala, „*Arctic Friends*“ i „*Puffins*“ sa Džonijem Depom u glavnoj ulozi. Piter je bio ključan u ideji i vizuelnom razvoju prethodnika ovih serijala, animiranog igranog filma „*Misija Arktik*“ (*Arctic Dogs*), u kojem je talentovani Džeremi Rener pozajmio glas, uz oskarovce, Anđeliku Hjuston i Džona Klisa.

Piter Nali bio je gost i govornik na događajima KL Design Week (Kuala Lumpur, Malezija), CG Overdrive (Singapur) i kao panelista i stručnjak u industriji animacije učestvovao je na TAAFI Animation Festivalu (Toronto, Kanada). Pored toga, nagrađen je sa nekoliko nagrada za svoj uspeh u VFX-u i digitalnim dizajnerskim projektima širom sveta, uključujući filmski festival u Madridu, Warner Music, Stash Magazine i Cannes Lion Interactive. Piter je predavao kurseve na međunarodno priznatom Sheridan koledžu (Oakville, Ontario) u *Compositing* oblasti, kao i oblastima *Storibord u Animaciji*, *Jezik Animiranih Filmova* i *Digitalno Mat Slikanje* na Centennial koledžu u Story Arts centru (Toronto, Kanada).

Pored ogromnog produkcijuskog iskustva, Piter Nali je predvodio stvaranje i implementaciju studija i produkcija na međunarodnom nivou u Kanadi, Rimu, Srbiji, Bahreinu, Mumbaju i Singapuru. Trenutno, Piter Nali je kreativni producent (showrunner) animiranih serijala „*Arctic Friends*“ i „*Puffins*“ (Apple TV, Amazon), kao i superheroj animiranog serijala „*Puffins Impossible*“, kreiranog i proizvedenog u Srbiji.
